Washington, May 15.—The United States today demanded of the Huertista government that it should release American commissioners for departure today and tomorrow, and at the same time moderate any speculation as to possible significance in the delay.

Later the Spanish ambassador here, who is caring for the interests of Mexico in the case, stated in a formal statement that the delay merely meant that the government was "making something to say."

that the Huerta delegates wanted a brief respite from their long journey to the United States, the American and Spanish ambassadors will give the Mexicans a dinner here Saturday night, after which they will proceed to Niagara Falls. Three or four American diplomats and American commissioners appointed by Provisional President Huerta, of Mexico, to represent his government in the mediation conference at Niagara Falls, will be present in the southernmost republic. It was not known to an inquiry as to whether the Mexican commissioners had decided on a policy.

The three mediators, through the assistance of the American State Department, were to meet with the representatives of the American railroad companies and the Cuban government. They remained here only long enough for their special cars to be transferred to an Atlantic Coast Line train, and then they were expected that they will reach their destination in a few days. The snipers, while here, said that the commander of the 1st Division would make it plain that the commissioners would not be allowed to enter the country.

A strong communication, after receiving word from the Brazilian minister in Mexico City that Parks had been "executed." No mention was made in the minister's report of whether he was shot as a spy after a court-martial.

On the whole, President Wilson and his cabinet today took a more hopeful view of the Mexican situation than they had for weeks. They are confident mediation will accomplish something toward the pacific settlement of the problem. The constitutionalists are not so optimistic, but they agree the fact that there is no prohibition on the use of force is a step in their policy.

LEHON CONTEMPT TRIAL IS POSTPONED BY HILL

Defective, in Answer, Explains
Why Negro Witness Was
Taken Away.

Dan S. Lehon, the William J. Burns aide, filed with his attorney, J. H. Hill, an explanation of his action in removing Annie Maud Carter, the negro woman witness in the Frank case, from the jurisdiction of Fulton county superior court.

Lehon appeared before Judge Ben Hill Friday morning to answer to the demand to show cause why he should not be adjudged in contempt of court for the removal of the Carter woman. The hearing was postponed indefinitely on account of the sudden illness of Judge Hill.

Lehon asserts in his reply that the order citing him to court defines no matters which are alleged to have been taken place in the court, and that no judgment, process or action of the court has been disobeyed by him or his agents.

Objection is made to the statement that the Carter woman was dispatched from the city for "the purpose of otherwise impeding, hindering or delaying the court in the trial, investigation and final administration of the law," on the ground that language is indefinite and uncertain.

Lehon declares that he is not guilty in act or intent of the offense as charged in the order, and that his action in removing the Carter woman from the jurisdiction of the court is purely a matter of business.

Lehon is represented by the firm of Hill, Powell, Hooper & General Hugh Judge Arthur Powell, of this city, represents his client, William J. Burns, Frank Hooper, also a member of this firm, assisted by Detective General Hugh M. Dorsey, last summer in the prosecution of Leo Frank. Detective Dorsey has not yet returned to the city. He is remaining at the bedside of his wife, who, according to reports from New York, is critically ill.

DOPE FIEND FIGHTS OFFICERS IN COURT TO SECURE COCAINE

A sensation was started in police court Friday morning when a dope fiend, upon being brought before Judge Noah Brooks for trial, asked a small box of powdered dope, which lay upon the judge's desk as evidence, and fought desperately with half a dozen court deputies for a sniff of cocaine before he was overpowered and the cocaine taken from him.

W. J. Myers, 32 years old, claiming to be a druggist of Lakewood Heights, the disturber of the court, was bound over to the bond for insanity.

Emanuel Wars, a negro, arrested by officers Fearsons with Myers, is being held for investigation as a seller of cocaine, upon the charge of which he claims that he sold the dope to Myers.

Wars claims that he has been sold from a negro woman, and the police are searching for the woman.

Washington, D. C., Dec. 2, 1913: "All over my body were small pimples which itched me so that I could just grab my flesh and tear it apart. For three weeks I could not sleep at night until I was simply exhausted. I tried most everything that was supposed to give relief, and I can truthfully say that it until I used Resinol Soap and Resinol Ointment did I begin to feel like the man I was. After only two applications there were no more pimples or itches of any kind." (Signed) A. Jackson, care of Water Registrar's Office, District Building.

WILSON ENTERTAINED AT LUNCHEON FRIDAY

Brother of the President is in
Atlanta on a Business
Trip.

Joseph R. Wilson, brother of President Wilson, who is in Atlanta on a business trip, was entertained at a luncheon at the Capital City club at 12 o'clock yesterday afternoon.

C. W. Olson, W. A. Smith and Frank Reynolds acted as hosts, and the guests invited to meet Mr. Wilson were: Moll Wilkison, W. L. Peck, Clark Howell, John Temple Graves, J. H. Gray, Shepard Bryan, A. W. Smith and Ernest Woodruff.

Mr. Wilson is in Atlanta to remain as long as the usual at the Hotel Mayfair, C. W. Olson and W. A. Smith, southern agents and Frank Reynolds, United States district and quarry company, of Baltimore, Md., when taking the head of the promotion and development department of that company.

Mr. Wilson, until a year ago, was prominently identified with the new business, being one of the first to enter the insurance field. He is well known in Atlanta, where he has many friends.

He believes the regional banks will be a great factor in the era of prosperity which he predicts is at hand. He has found, he said, "that the insurance business touches the pulse of conditions generally, and present indications point to better times. Every body with whom I have come in contact on this trip has expressed optimism and had no note of apprehension as to the future."

He has reason to believe that the new regional banks will be important factors in a certain extent of expansion, which to a certain extent, will be to the benefit of the people. I look for their benefits to be noticed very soon.

Petition in Bankruptcy.
A voluntary petition in bankruptcy was filed with Deputy Clerk Fred Brown, of the court, yesterday by Emory F. Holmes, a traveling salesman in Atlanta. The petitioner shows liabilities amounting to \$1,984.11, without any assets.

Maurice Miller, proprietor of a pawn shop on Marietta street, by playing the role of detective Friday, recovered two gold rings and two gold watches which had been stolen from his place by burglars Thursday night with about 150 worth of goods.

Miller, assisted by Detective McKibben, arrested Watson Reid, a negro, under suspicion of being one of the burglars. On searching Watson the rings and watches were recovered.

George Dobbs, another negro, was arrested by Call Officer Jones and Gorman at 31 East Mitchell street, early Friday morning, charged with stealing the 35-caliber police pistol belonging to Policeman W. L. Pares, at 211 Central avenue.

Pares' pistol which was stolen some time Wednesday night was found on Dobbs, but he claimed that another negro, Alonzo Smith, had given him the pistol. Smith was arrested and now both negroes will be tried in the police court.

The loss of many valuable articles was reported by the Davis jewelry company, 121 Decatur street, Friday morning. The burglar entered the front door of the jewelry shop some time Thursday night.

Augusta, Ga., May 15.—(Special.)—Augusta negroes have discovered an easy way to get money than by working for it. An extensive plan for defrauding the insurance companies has come to light by the arrest of two negro physicians, charged with signing false certificates regarding illness of patients.

Local insurance agents claim that, since the first of January, between \$50 and \$60 claims have been paid weekly to negroes for sickness aggregating at each, in the neighborhood of \$1,000 weekly.

SEEKING HAPPINESS

**"All things are yours:
"Whether the world,
or life, or death, or things
present, or things to
come; all are yours;
"And you are Christ's;
and Christ is God's."**

The Shrine has gone.

Its Nobles are speeding home.

Atlanta is in their debt.

They have left with us more than money, the proof that fun can be clean, wholesome and joyous.

NOTEWORTHY IS IT THAT THE NEXT CONVENTION OF THE SHRINE GOES TO SEATTLE, ANOTHER CITY THAT BELIEVES IN CLEANLINESS OF LIFE AND FREEDOM FROM PROTECTED VICE.

Noteworthy again—Seattle's invitation was voiced and pressed by a minister of the Church of God.

Cities have no need for the impure and the vile to attract men who know life and its meaning.

The day has passed for the speaking of the fallen woman as "la fille de joie—the daughter of joy." For men know her to be both the child and mother of sorrows. And her tolerated existence as the pray of men in any city disgraces and does not attract.

AGAIN, THE SHRINERS HAVE TAUGHT THAT LIQUOR, WINE AND BEER ARE NOT NEEDED TO GIVE JOY TO LIFE.

Drinking by some there was—but so little in comparison with the efforts of the lawbreakers of Atlanta as to make it negligible among the Nobles of the Shrine. When next they come, that the city will be free from this is the hope and belief of many who love Georgia and her capital and would have her purged of this disgrace of disregarding law. These distinctly owe a debt to those who frolicked, laughed and played in our city's streets.

And did you note—a prize fight was greatly advertised with the news that six pairs of negroes would fight for the delectation of men not familiar with the South.

The fight did not occur.

It was called off; so few took the bait the promoters found it would not pay.

Men were living and enjoying life in Atlanta's streets. Brutality did not attract.

Atlanta is glad that the canons came.

We acknowledge our debt to the Nobles of the Mystic Shrine.

THIRTY-SIX PONIES
OF ENGLISH POLO
TEAM ARE SHIPPED

London, May 15.—Thirty-six ponies
to be used by the British team in the
matches for the international polo trophy
at Meadowbrook were taken on board
the liner Minneapolis today. They
were valued at \$80,000.

Most of the ponies belong to Baron
Winborne, but the most famous among
them is Bessie, ridden by the Duke of
Devonshire.

The game will be played on the
viaduct, good fielding at times and great
excitement.

Both teams hit the ball great deal
today. They did the game well. The
game was played on the viaduct, good
fielding at times and great excitement.

Georgia's renowned sluggers fell
upon the pitcher in the first round for a
trio of bingles, which produced a con-
fession of failure for the first time in
the year. He allowed the heavy-hitting
Georgia team to score three runs in the
first inning, but they were not to be
conquered.

Hickcock twisted a good steady
arm for Georgia. Although the Jack-
sons secured eight hits, he was special-
ly strong with runners on the bases.
The only thing that Tech made more
than one hit in the eighth, when three
were made.

Georgia Wins Over Tech And Cops College Title For the S. I. A. A. in 1914

TODAY'S GAME.
The second game of the series was
played today at 3 o'clock. The Georgia
team, led by Coach Heister, defeated the
Tech team, led by Coach Heister, in a
close contest.

By hitting the ball to all corners of
the lot, Georgia took the first game of
the series from their time-honored
rivals, Tech, yesterday afternoon at
Grand field by the score of 10 to 3.

The Atlanta team, which with both
teams made a clean sweep of all ath-
letic events last year, and Friday's victory
gave them a clean sweep of the season's
claim to the southern championship, as
they did not lose a series all season,
and were defeated but once by a mem-
ber of the association.

The Red and Black, by taking this
series, made a clean sweep of all ath-
letic events with Tech the present scholastic
year—football, basketball, baseball.
The largest crowd of the season, and
one of the largest that has ever filled
the stands at Grand field, turned out to
see the teams battle.

Tech's Roster Loyal.
Although Georgia tactically scored
the game up, in the first two innings,
the way the Tech roster stuck to their
team throughout the battle was highly
commendable. After the contest was
over, the roster gave a series of yells,
commending the team to stick with
Georgia and take today's game.

The game followed with strong bat-
ting, good fielding at times and great
excitement.

Both teams hit the ball great deal
today. They did the game well. The
game was played on the viaduct, good
fielding at times and great excitement.

Billikens Give Crackers

Lacing Friday at Poncy;

Game Today at 3 O'Clock

By Dick Jensen.

Bobby Olin, who has been batting
order Friday afternoon and it evi-
dently had the desired result, for the
Billikens got ample revenge for the
two defeats at the hands of the
Crackers.

They rolled up a 15 to 4 count, prin-
cipally by hitting the ball to all cor-
ners of the lot when men were on the
runways awaiting the necessary punch
to send them to the sounding josh.

Boucher went the entire route for
the Billikens and, while he was very
wild, walking seven men, hitting one
and making a wild throw, he showed
only six blunders, and these pretty well
justified his name.

Joe Eppard started for the Crackers.
He was evidently a victim of the cir-
cumstances that the game was being
played in a hitting box and would
have been a victim of the same if
Bill Smith went out to hurt.

Joe Eppard's pitcher, who has been
hit by the Billikens, was a victim of
the same. He was hit by the Billikens
